Taking into consideration of the facts on ground with reference to the situation of land, fertility, base value, local value etc., the Joint Collector, after multiple discussions with the concerned officers and the representative of the requisitioning agency, has proposed to fix up the following rates as per the norms prescribed below

(a) For the area covered by each tower @ Rs. 2,00,000/- up to 7 cents.

(e) The value of Agricultural, Horticulture, and Forest Department and paid in addition for the compensation at 5 times to the value mentioned in the G.O. Ms. No. 357, Revenue (LA) Department, Dated: 22.03.2006 and compensation to be paid accordingly.

(f) In case of structures, the value shall be calculated by the R & B Department and compensation to be paid accordingly in addition to the land compensation.

(g) In case, bore wells and pipelines are affected, the value shall be calculated by RWS / Irrigation Department and compensation to be paid accordingly in addition to the land compensation.

The Power Grid authorities are instructed to pay the above compensation amounts to the farmers who are losing their land for erection of Transmission lines in smooth way and take necessary support of the officials involved in this act of payment whenever necessary.

The officers concerned are requested to extend their co-operation to the Power Grid authorities as and when they sought without fail.

Sd/- C. Hari Kiran,
District Collector,
Y.S.R. District, Kadapa.
