Text of RTI First Appeal :	The details asked are Names and Designations only. Disclosure of Name and Designations cannot be considered as Personal Information. In fact, Directory of Officers and employees file hosted in PGCIL website has only few names (of CMDs, EDs and CGMs) instead of all PGCIL Employees. Nowhere in the RTI application Details of Service Records were sought. These days most of the CPSEs are posting all employees list along with their designations and posting locations on official website to avoid such RTI Applications. Hence, Required Information may be provided.
