Thanking you,

The transmission tower at location no. 52/5 as mentioned in your letter has already been erected. Also, the preceding and succeeding towers are also erected and the construction of said line is in the advanced stage of completion and dismantling the tower is not feasible.

In this regard, it is to inform that all the activities related to construction of 765KV Tuticorin-Dharmapuri D/C line is being carried out, complying with all statutory requirements under Section 10 of the Indian Telegraphic Act, 1885, Section 164 of the Electricity Act, 2003 and GOI order dated 24.12.2003 vide gazette of India No 1148, which authorize POWERGRID to exercise all powers vested in Telegraph Authority under part III of the Indian Telegraphic Act 1885 in respect of Electrical Lines and Electrical plants established or maintained or to be so established or maintained for transmission of electricity or for the purpose of telephonic or telegraphic communication necessary for the proper co-ordination of works. As per the provisions of the act, POWERGRID shall not acquire any property under, over, along, across, in or upon which the transmission lines have to be placed.

Hence, it is to inform that POWERGRID has strictly followed all relevant Acts and statutory requirements.

Sir,
