Point wise reply to details sought by Sri.C.Mohanan Nair(Vavara Action Council Chairman) ,Chanikkel Veedu,Vavara,Pothencode P.O-PIN 695584,Thiruvananthapuram against his query under Right To Information Act vide letter dated 08.01.2014

Sl.No	Question(Query)	Reply
1	In Thiruvananthapuram Taluk,Keezhthonnakkal Village,Puliveettu Muriyil, at a place named Vavara, under Keezhthonnakkal Village Block No.6,Re Sy.No434/8 in the land to the extent of 59 Are, an establishment named Galaxy Designer Tiles is functioning in building no.Pothencode Panchayath P.P. VII 514,518,518(i) for the last 3 years under the licence taken in the name of Aneesa Beegam, Vilayil Veedu,Theeppukkal,Pothencode . Since the 440 kV High Tension Line is passing above this unit, confirm whether POWERGRID has given permission for the working of the same. If so ,since when the permission is given and provide copy of permission letter given	No permission is given to the party by POWERGRID
2	Out of the above 59 Are land, up to what extent of land has been surveyed by POWERGRID for passing of this line. Copy of plan of land surveyed may be provided.	The land was surveyed at the tower footing area only to determine the diminution in value of land. Accordingly, land to the extent of 4.09 Are in Re.Sy.No 434/8 only has been utilized by POWERGRID for erecting tower at loc. No 592.. Sketch for the said location is enclosed here with as received from LA records of state revenue dept.
3	Out of the 59 Are in Re Sy.434/8,how much amount has been paid by POWERGRID as compensation for the land surveyed. Details of amount and the person who has received the compensation may be furnished.	Compensation amount towards Land diminution is not disbursed for the land under Re.Sy.No 434/8 due to pendency of court case(CRP 534/10 at High Court)
4	(a)Whether any construction using metallic objects can be permitted under the high tension line in this land? (b)Confirm whether the present construction under the high tension Line using metallic items is done with the permission of POWERGRID or not? If permission has been given, copy of the same may be provided.	(a) Permission can be accorded only in line with the relevant provisions of Electricity Act 2003,CEA Regulations 2010 pertaining to Measures Relating to Safety and Electricity Supply and CEA regulations 2010 relating to Technical standards for construction of Electric lines (b) No

23/01/21

5	Copy of Rules to be complied by the General Public and establishments under the land acquired for construction of the high tension line may be provided.	The construction of high tension line is governed by provisions of Electricity Act 2003,CEA Regulations 2010 pertaining to Measures Relating to Safety and Electricity Supply and CEA regulations 2010 relating to Technical standards for construction of Electrical plants & Electric lines. These documents are readily available in Public Domain
6	In the above said land, for passing of the line tower has already been erected. Confirm whether any action has been taken to demolish the constructed buildings under the tower. If yes, proof of the same may be provided.	POWERGRID takes action whenever any infringement to Electrical clearance of the 400 kV line is found.
7	In the above land, as tower is erected, earthing has also been done beneath. Which Officer has assigned permission letter for constructing sheds using metallic objects near this?	Not applicable as no permission has been sought/granted
8	In the land corresponding to the above survey no., apart from the above mentioned unit, has any other application for constructing any factory /establishment/ PVC pipe factory etc been submitted to POWERGRID? Has permission been given ? If yes, provide copy of the same.	No
