Respected Sir,

It is requested to provide following information under Right to Information Act, 2005

I request the concern authority to provide me with below details.

1. Details of the ongoing and upcoming power projects undertaken in Tamil Nadu. The details just include names of the projects, place at which each of it are implemented, power generated from each of it, currently operational or not, Date of Completion, funds allocated for each of it.
2. Details of the connectivity with Southern grid to the Central grid. The details just include the company which was selected during tender quote, funds allocated, current status of it, power allocated for Tamil Nadu from the central grid currently and previously before the connectivity.
3. Details of Kudankulam nuclear power plant. The details include funds allocated, amount of power generated (I do not want the power break up for each states because it is generated for my country only), Is it operated in real

time currently or not, if no then the tentative date of real time operation and safety measures implemented in Kudankulam.

I request you to provide me with the above details with utmost sincerity. The reason for asking the above details is that the Government of Tamil Nadu is keeping a charge that Union Ministry is not helping Tamil Nadu in regards to the power concerns. Please do the needful.

In case the information is held by or related to another public authority, the application or such part of it

as may be appropriate may be transferred to that other public authority under intimation to the

undersigned as per Section 6(4) of RTI Act, 2005.

Thanks and Regards,
S.Vinodh Kumar
