Dear Madam/Sir,

This is regarding High Tension cables passing through CMDA approved layout in Chennai. Address of the layout: Skylab Avenue, Sithalapakkam, Chennai, 600 126.

**Information Sought :** I have a plot in this layout, along with me many other owner are not able to construct house in some of the plots with the fear of health & safety hazard warnings of the high tension cables passing though this layout.

We would glad to know if there are any plans to shift these cables to appropriate area (underground/crop fields, etc.) being conscious of public health & safety
