SL NO.	Information Sought	Reply
1	Whether the power line is passing or not through Survey no. 62/4 (1-02 Acres), Kempanadodderi Village, Kora Hobli, Tumkur Taluk & District.	As per the prevailing practice, we do not collect Revenue Survey numbers while planning the transmission line. We collect details of Survey nos only while paying crop and other compensations during execution of works. Since our works in Kempanadodderi Village have not been completed, we do not have details of land survey nos where towers are yet to be completed.
