Information Sought :	<p>Respected Sir,</p> <p>Reg: Compensation distributed to the farmers for horticulture trees and Crops fell by the Powergrid Construction of 800KV HVDC Raigarh - Pugalur transmission line (Part-X).</p> <p>I am Ramachandran (69 years old) small farmer, residing at Salem Dt, TN. I would like to request the following details,</p> <ol style="list-style-type: none"> 1. The max and min compensation distributed to the affected farmers for the patta lands (per sq.mt) acquired for the above said Raigarh to Pugalur project. 2. I request the complete detail of the max and min compensation distributed to the farmers for 20 to 25 years old Tamarind tress with good yield, Teak wood about 5years, Neem, Palm, and custard apple trees from the acquired patta land. 3. I would also like to know whether I can plant Moringa, Mango(hybrid), Sappota etc., trees in the land affected by the above said transmission line project. List of the horticulture plants allowed to plant under the transmission line considering the height limit <p>I hope that the requested details are coming under the RTI act, and I would be grateful to Honorable Power ministry and Power grid CO for all the help. Please help me to get the requested details as quick as possible.</p> <p>Sincerely, D. Ramachandran</p>
