To

The Chairman and Managing Director  
Power Grid Corporation of India Limited  
Saudamini, Plot No2. Sector 29  
Near IFFCO Chowk,  
Gurgaon, Haryana - 122 001.

Sir,

Furnish the following particulars under Right to Information Act, particulars are required to file a suit before High Court of Judicature at Madras.

Question-1:

How many towers are erected in between Thoppaiankulam Village, Ulundurpet Taluk to Kattukudalur Village, Panruti taluk by you in the year 2019-2020 project?

Question-2:

Who are the owners of the property in which the Towers are erected and what are it's survey Numbers? From Thoppaiankulam to Kattukudalur Village?

Question-3:

For one tower how much compensation are given? And how many phases it is paid ?

Question-4:

From Thoppaiankulam to Kattukudalur Village how many farmers get compensation from you on what terms and how many times they get compensation?

Question-5:

Furnish name's of the farmers who received compensation from you? from the Thoppaiankulam to Kattukudalur Village?

SR-II

04/08/2020

Question-6:

You gave compensation to some farmers and not given compensation to lot of affected farmers still now why? Why such discrimination is adopted to you?

Question-7:

What is the total quantum of compensation given by you from Thoppaiankulam to Kattukudalur Village for erection of Electric towers.

Question-8:

Are Deputy General Manager Mr. Chandran and Superintending Engineer Mr. Tamilvanan competent to appraise the age, value and yield of the plants?

Question-9:

The Horticulture officer concerned and the Forest Officer concerned never visit the field and appraise the trees and yields. Without their absence how you valued the worth of trees, yield and its age.

Question-10:

For fruit yielding trees like Jackfruit, Mango you have to give 8 years yield compensation along with the tree value. But you have not given 8 year yield compensation for fruit yielding trees. Why?

Question-11:

Unnecessarily you should not cut the trees, while stretching the transmission line. You have to avoid, minimize mitigate the cutting of trees on the route. But you are trying to remove all the trees against law. Why?

Question-12:

You have to give full compensation for 48 mtrs. width from tip to tip. But you have not given full compensation according to the rule. But you gave compensation only for trees comes within the grid cap. Why?

Furnished the above particulars within 30 days of receive this letter. For furnishing the above details fees Rs.20/- Indian Postal Order is attached herewith, if additional fees is required it will be paid as per your information.

Yours faithfully,
