Information Sought :	<p>Hello Sir/Madam,</p> <p>This is regarding a project by Power grid corporation of India Limited from Pugalur to Arasur TL (400kv).Our Land is situated in Segudanthali karumathampatti panchayat which belongs to Sulur Taluk Coimbatore.Power grid corporation of India have marked our land for laying their tower.They have announced us and told that they will give us a compensation amount as approved by the government.we have agreed to their condition and gave our land.In turn they have fixed an amount for agricultural land and residential plots.They have given the amount to us as per agricultural land.But then we found it was registered as Residential plot.So we asked the power grid corporation of India Limited about this issue.They told us to get approval from District Collector and Thassildhar.So we went to the collector office and submitted all the required documents they have asked for and also to Thassildhar office.They have undergone through the documents and gave approval for the remaining compensation amount.Then we gave that approval letter signed by District Collector and Thassildhar to Power grid corporation of India Limited.But after few days we have asked them about that but they told you wont get any amount.Then we went to the power grid office and asked them but there is no response from them and atlast they told us to wait for few days.We have waited for 2months and asked them again but they ignored our call many times and atlast told you wont get any amount.so I kindly request you to go through the documents i have attached for your reference and help us.Hereby I will attach all the details.Thank you</p>
