PGCIL, 400KV Substation, Kumarapuram

1) Is it not that, Kochi-Edamon segment and Edamon-Thirunelveli segment are the continuation of Thrissur-Kochi (Pallikkara) segment?

3) Is there are substations in these segments? If yes, where are the locations? Address?

3) Is it not that, 400kV electric lines are drawn along these segments?

4) Is it not that, mainly the power from Koodamkulam nuclear power plant is bringing through these segments?

That, in the month of June 20th -2022
