Text of RTI First Appeal :	<p>CPIO rejected application on citing REJECTED DUE TO NON PAYMENT OF FEE as a reason. First of all, my RTI request was to POWER GRID CORPORATION OF INDIA LTD. with application number PGCIL/R/E/23/00455. I don't know how after I filed the application automatically 2 application numbers were being displayed in my history i.e., PGCIL/R/E/23/00455 and PGCIL/R/E/23/00455/1. After approximately 20 days or so after filing the application, the CPIO of PGCIL/R/E/23/00455/1 this application says that I haven't paid fee and hence they are rejecting. Even though SR-I and SR-II are different regions under the PGCIL, they both are a part of PGCIL, hence a request was filed with Power Grid Corporation of India Ltd., after filing the request they segregated my single request into 2 and now approximately after 20 days they reject my request stating that fee wasn't paid to PGCIL/R/E/23/00455/1. I paid application fee to this request PGCIL/R/E/23/00455 and I demand the information I asked and paid for, I suggest PGCIL to fulfill the request instead of creating multiple applications which I haven't asked for.</p>
