Information Sought :	<p>Respected Prime Minister Sir, I am a resident of Seoni district and I have previously worked as a labourer at the Government of India Company Power Grid Corporation of India Limited, whose sub-station is in Lugharwada, Seoni. I have some questions, which are as follows</p> <ol style="list-style-type: none"> The time of permanent staff working at Powergrid Substation, Lugharwada, Seoni is from 9 am to 5:30 pm, where lunch hour is from 1 pm to 1:30 pm (half an hour). But some employees present in Seoni, punch at 9 am in the morning and go home and come back to office comfortably at 10 am, after that the employees here have lunch from 1 pm to 4 pm (3 hours), which is against the rules & regulations of Government of India company Power Grid Corporation of India Limited. Permanent employees working in Powergrid Substation, Lugharwada, Seoni are paid a hefty amount of salary, even after that there is so much slackness in work by employees, which is a huge loss for the company. Therefore, I request the Government of India to regularly monitor the work of the employees present at Powergrid Substation, Lugharwada, Seoni. Apart from this, there is a Guest house present at Powergrid Substation, Lugharwada, Seoni. The maintenance of which has been given to the private agency M/s Animesh on contract, which costs Rs 80000 to 90000 every month, where hardly 2 to 3 guests come every month, which is wastage of public money. It is also hub for making parties by employees during office hour. I want to know that why company is unnecessarily wasting so much public money every month for the stay of only 2 to 3 guests. I would request authorities to kindly close such Guest houses & save public money wastage. <p>Power Grid Corporation of India Limited has been set up utilising public money, to serve public & not for enjoyment of employees. Therefore, I request to the Prime Minister as a common citizen to take proper action on such employees & companies.</p>
