<p>complaint for powergrid, medesara durg chhattisgarh</p> <p>Flood like water mixed with oil from powergrid medesara damaging farming land along with crop every year at medesara and parsada area in durg chhattisgarh. Dangerous / hazardous oil coming out from powergrid makes land barren with drying out the crops. Flood like water coming out from powergrid entering into the farm creating problems with loss of livelihood for all the farmer every year. This problem persist for the last 8- 10 years with no proper solution. Many complaints have been made regarding these problems but with no solution just got assurance given that very soon concrete nala and culvert will be made. earlier due to objection by one farmer this planning were hold but after that all the farmers have given consent including me in written but again and again returned with bare hand with no solution except assurance. if this problem continued farmers will have no other option except committing suicide and the authority of powergrid will only be responsible.</p> <p><b>Information Sought :</b> as detail mentioned above seeking certain information:</p> <ol style="list-style-type: none"> <li>1. why is getting delay for construction of box culvert and cemented/permanant nala for drainage of water ?</li> <li>2. what is the arrangement being done for oil leakage mixed with water entering into other farm land?</li> <li>3. while construction of powergrid why it has not been made proper arrangement for water drainage management of 136acre area ?</li> <li>4. who is responsible for damaging / dried off crops of farmer by powergrid oil coming out mix with water and logging into field and what is compensation criteria for loss of farmer from 2011 to till date?</li> <li>5. why after giving consent of all farmers no action of permanent nala have been taken place?</li> <li>6. how much time will it be needed for proper permanent management of water drainage system ?</li> <li>7. why should not be taken action against the management for getting delay in project of water drainage system and loss of livelihood of farmers?</li> </ol>

वेष्य -> ग्राम मेड़ेश्वर के "परसहा रवार" में नाली निर्माण बाधत महोदयजी

सादर विवेदन है की ग्राम मेड़ेश्वर स्थित "परसहा रवार" में किसानों के पानी निकासी हेतु नाली बना हुआ था जो की पटपारी रिकार्ड में भी फ्लोरबीत है किन्तु पावर ग्रीड द्वारा निर्मित काला (वेर) काले के कारण उक्त नाली बंद हो गया है जिससे किसानों के सामने पानी के बहाव व निकासी में परेशानी हो रहा है तथा हर वर्ष सैकड़ों किसानों का फसल बाध हो रहा है।

अतः आपसे याचना है की उक्त नाली को साफ कर इसको पक्का नाली निर्माण किया जाए ताकी किसानों का हीत हो और फसल नष्ट होने से बच पाए।

॥ सधन्यवाद ॥
