Text of RTI First Appeal :	<p>Sir, PIO denied to provide information under section 8(1)(J) and saying that this information is belongs to third parties & their consent not available with them & no public interest has been disclosed. As per my RTI application point no 1 to 5 - information will help our village illiterate farmers to get right compensation to Right person for there land which is pending from last couple of years.many farmers visited your padaghe office but security not allow them to go inside to meet your officer...I personally face this problem lot of times..also only security guard accepting any type of application & not giving receivers signature & stamp. Point no 6 - is all about farmers safety..we observed that there is 765 kV high voltage transmission lines installed & no barication provided for tower base, it will be causing for accident. Point No.7 - is about Tree Transplantation & tree cutting report</p>
