Sir

In reference to your captioned application under RTI Act, 2005, the following reply is furnished as under;

As the earlier application received from that end on 18.11.2019 through online was incomplete / vague / ambiguous, a clarification letter was issued from this end seeking to submit the application as precise as possible so as to avoid the rejection of the application out rightly. However, the present clarification is also not complete / clear / precise as regards to the information sought from the Public Authority rather the applicant is contemplating a duty on the Public Authority so as to gather the intention of the applicant, which otherwise is not the very purpose / intention of the RTI Act.

Despite the application is ambiguous, the Public Authority has congregated the query of the applicant from the narration and the following information is furnished hereunder;

- 1) A Civil Suit No.3/2003 was filed by Bipinbhai Manubhai Desai & Others against POWERGRID before the Principal Senior Civil Judge, Gandevi and the said suit was ordered by the court on 31.01.2009. The said order was challenged by the plaintiffs-applicant and also by the defendant-POWERGRID before the Hon'ble High Court of Gujarat.

If the applicant desires to file an appeal on this, the same has to be done within 30 days of receipt of this reply.
