Information Sought :	<p>in the court of principal senior judge, Gandevi civil suit no 3of 2003 was filed and disposed on31 1 2009 i am referring the jugement as mentioned on page no 11 12 13and 25 It is stated by the court that reassesment was final on 24 7 2002 and payment was made on 29 7 2002 But NO written award has been on record as on page 11. On apge 12 it is stated that compensation was finalised on 24 7 2002 by district magisatrate is NO WHERE PRODUCED. On page no 13 the power grid corp has agreed that district magistrate has finally assesed on 24 7 2002 ON page 25 power grid corp.has stated that reassesment has finalised on 24 7 2002 and they paid the assesed amount on 29 7 2002.</p> <p>Accordingly i want the copy of the said final award for compensation issued to power gird corp by distict magistrate dated 24 7 2002. It was provided to power grid corp. but not provided to me on which payment of compensation was released by them on 29 7 2002 The copy of the said award dated 247 2002 which was not provided to me as well as the court.Under RTI act ON my previous complain PGCIL R 2019 50421 was clealry indicating this but desposed after 50days delay saying The application has been worded too broadly and it is not clear what specific information were sought from that end. The information sought is incomplete vague ambiguous What It said here is false and is an excuse for the delay to avoid penalty. The power grid corp had option to seek the clarification during this period of nearly 50days as they had the full details of my phone and email So the delay must be counted from the first compalin no.PGCIL.R.2019.50421 at 19.9.2019 The disposal of this compalin is not justified&tretaed as n excuse only to avoid penalty.</p>
