| Information Sought : | <p>power grid corp. is avoiding providing document by giving unsustainable reasons and to avoid penalty disposing the application before providing the document. my previous afflictions are PGCIL/A/2019/60091,PGCIL/A/2019/60079,PGCIL/R/2019/50421,PGCIL/R/2019/50494. Despite, the power grid corp acting in a unfriendly manner and has so far not provided the document i have asked for under RTI and making a joke of the RTI law.They are disposing the RTI application arbitrarily without providing the document. i am now frustrated by there actions of not providing document. pl look in to and ensure that the document is provided to me and the application is not disposed in any way before providing the document. pl penalize them for not supplying the document under RTI starting from the first application until the document is delivered to me in my hand.</p> |
