Gurgaon – 122001.  
Ph no.: 9650894944  
E-mail: [cpio.cc@powergrid.co.in](mailto:cpio.cc@powergrid.co.in)

1. **Full Name of Applicant** : **K. Ramakrishnan Iyer**
2. **Address** : **204, 2<sup>nd</sup> Floor, Neptune, Sun City, aadi Shankaracharya Marg, Powai, Mumbai 400 076.**
3. **Email** : **kramki60@gmail.com**
4. **Mode of providing Information** : **By email as well as hard copy by post.**
5. **Details of Application Fee** : **Rs 100/- by way of Pay Order bearing numbers 81G 636849 and 81G 636848 of Rs. 50/- each drawn in favour of "POWER GRID CORPORATION OF INDIA LIMITED."**
6. **Information sought** : **Please provide the following information with respect to the Transmission System of Power Grid in Kutch, Gujarat.**

- A. Please provide a map of existing transmission system of PGCIL in Kutch, alongwith voltage level and capacity of various elements of the system.
- B. Please provide a map of proposed transmission system of PGCIL in Kutch, alongwith voltage level and capacity of various elements of the system.
- C. For the proposed elements, please provide status (whether proposed/approved) and the developing agency (whether PGCIL/Private)
- D. For the following specific elements under development, please provide information as below-

1. **Bhuj-2 Substation**

- a. Please provide the proposed capacity and configuration of the substation at 220KV/400KV, and 400KV/765KV, number of proposed transformers, number of 220 kV AIS bays and number of 220 kV GIS Bays.
- b. Has the land for the Substation been Identified (yes/no)
- c. If yes, please provide the Coordinates and survey number, village, taluka
- d. If yes, please also inform if it is a revenue land or forest land or private land
- e. If no, please provide proposed date by when it will be identified
- f. If revenue land, please advise the status of allotment of land by the Collector (allotment date if allotted, application date if applied)
- g. Whether the substation will be developed by PGCIL itself or awarded to some private party through bidding (PGCIL/Private)
- h. If it is to be developed by Private, what is the status of bidding (bid awarded/bids under evaluation/bids yet to be received)
- i. If bid awarded, Name & Address of the successful bidder
- j. If bid awarded, the timelines by which the successful bidder has to complete the work

2. Lakadiya Substation
  - a. Please provide the proposed capacity and configuration of the substation at 220KV/400KV, and 400KV/765KV, and number of proposed transformers.
  - b. Has the land for the Substation been Identified (yes/no)
  - c. If yes, please provide the Coordinates and survey number, village, taluka
  - d. If yes, please also inform if it is a revenue land or forest land or private land
  - e. If no, please provide proposed date by when it will be identified
  - f. If revenue land, please advise the status of allotment of land by the Collector (allotment date if allotted, application date if applied)
  - g. Whether the substation will be developed by PGCIL itself or awarded to some private party through bidding (PGCIL/Private)
  - h. If it is to be developed by Private, what is the status of bidding (bid awarded/bids under evaluation/bids yet to be received)
  - i. If bid awarded, Name & Address of the successful bidder
  - j. If bid awarded, the timelines by which the successful bidder has to complete the work
3. Bhuj Substation to Lakadiya Substation line
  - a. Please provide the technical details of the proposed line (voltage level in KV, number and type of conductors, number of circuits and capacity of each circuit in MVA)
  - b. Has the route for this line been finalized (yes/no)
  - c. If yes, please provide the number of towers and area required for each tower
  - d. If yes, please also provide the Coordinates and survey number, village, taluka, and type of land (revenue/forest/private) for each of the towers
  - e. For no, please provide proposed date by when it will be identified
  - f. Has the approval under Section 68 been received from CEA (yes/no)
  - g. If yes, please provide date of approval
  - h. If no, please provide date of application filed
  - i. Whether the line will be developed by PGCIL itself or awarded to some private party through bidding (PGCIL/Private)
  - j. If it is to be developed by Private, what is the status of bidding (bid awarded/bids under evaluation/bids yet to be received)
  - k. If bid awarded, Name & Address of the successful bidder
  - l. If bid awarded, the timelines by which the successful bidder has to complete the work
4. LILO of Bhachau – EGPL 400 KV line at Lakadiya Substation
  - a. Please provide the technical details of the proposed LILO (number of circuits and capacity of each circuit in MVA)
  - b. Has the route for this LILI been finalized (yes/no)
  - c. If yes, please provide the number of towers and area required for each tower
  - d. If yes, please also provide the Coordinates and survey number, village, taluka, and type of land (revenue/forest/private) for each of the towers
  - e. For no, please provide proposed date by when it will be identified
  - f. Has the approval under Section 68 been received from CEA (yes/no)
  - g. If yes, please provide date of approval and reference number
  - h. If no, please provide proposed date for filing application
  - i. Whether the line will be developed by PGCIL itself or awarded to some private party through bidding (PGCIL/Private)
  - j. If it is to be developed by Private, what is the status of bidding (bid awarded/bids under evaluation/bids yet to be received)
  - k. If bid awarded, Name & Address of the successful bidder

I. If bid awarded, the timelines by which the successful bidder has to complete the work  
You may kindly provide the information by way of soft copy over email and CD/DVD, as well as hard  
copy by post. I am willing to pay the charges applicable for obtaining such information.

A handwritten signature in blue ink, consisting of a vertical stroke on the left, a loop at the top, and a horizontal line extending to the right.
