Registration for the apprentice examination has to be done by the candidate (apprentice) through the website (<https://apprenticeship.gov.in>). The Candidate may register himself/herself through the website.

Moreover, as on date the candidate (apprentice), i.e. Mr. Abhay Mahadeo Akre has already registered for the apprentice examination and the request for the same has been approved by Power Grid Corporation of India Limited, Western Region – II.

This is for your kind information and perusal.
