Sir,

On the back ground of the subject cited above, it is to inform that 220KVA High Tension line was laid in the year 2010 by Power Grid Corporation of India Ltd, Ambheti in village Sayli of U.T of Dadra and Nagar Haveli. The said High Tension line has been passed through my land bearing Survey No. 104/1, Village Saily,DNH by erecting one tower. I am the owner of the said land since 1984. In this regard, it is came into my notice that the compensation an amount of Rs.1,71,200/- (credited on 11/05/2010) was made to any other person namely- Shri Bhikhubhai Dahyabhai Rathod in his Saving Bank Account No. 10291105733 of State Bank of Silvassa Branch. In fact, this compensation should have to be deposited to my account (Prabhatsinh Dahyabhai Parmar's account) or in case of cheque payment , it should have to be in my favour. Accordingly, I have not received any payment towards the compensation.

In this regard, I had requested the Central Public Information Officer (CPIO) of Power Grid vide my RTI application dated 24/09/2020 (Copy enclosed) to provide me the following information/documents:

**“Certified copy of map showing alignment of HT Line and location of erected Towers of 220KVA High Tension Line passing through Survey Nos. (particularly Survey No. 104 or 104/1) Of Village Sayli of U.T of Dadra and Nagar Haveli.”** The said line has been passing through my survey No. 104/1 of Village Sayli, DNH.

It is to state that the CPIO has refused to provide the above information mentioning the reason in his letter dated 14/10/2020. (Copy Enclosed). The said HT Line was established in the year 2010 and at present , there could not be any point security of staff of the Power Grid.
