Appeal dated 31.12.2020 by Sh.Abdul Aziz Shaikh in regard to the RTI Application dated 24.11.2020 under Right to Information Act, 2005 ("Act")

ORDER

RTI appeal having no.PGCIL/A/E/20/00070 dated 31.12.2020 had been received through online from the appellant in view of the non-receipt of the Reply/Information in RTI Application dated 24.11.2020, wherein the Appellant had sought for the details as regards to the construction of Navsari-Bhestan TL.

On perusal of the RTI Application, it is observed that the applicant Sri Abdul Aziz Shaikh has applied for copies of Village Map & the details of compensation released to the affected land owners of the subject Transmission Line vide RTI Application dated 24.11.2020 and the Appeal has been preferred by the Appellant on being aggrieved by the reason that no reply/information has been received by the Applicant within the stipulated time from the CPIO.

The First Appellate Authority has found that the CPIO has disposed of the "RTI Application" on merit vide reply dated 04.01.2021, however with a delay in furnishing the reply to the application in time. As the reply has been given on merit, the Appellate authority found no reason to interfere with it. The CPIO is advised to avoid any such delays in future and also cautioned to adhere to the strict compliance of the provisions of the RTI, Act 2005.

On the above grounds, I do not find any reason to interfere with the RTI Reply and the "Appeal" filed by the "appellant" does not hold good and is liable to be rejected. With this order, the Appeal stands disposed of.

A copy of the Order may be sent to the Appellant.

Date: 19.01.2021.
