Subj: Construction of 765 KV S/C Banaskantha-Chittorgarh transmission line Assessment of land Compensation Reg.

Dear Sir,

Power Grid Corporation of India Ltd, A Govt. of India Enterprise, is entrusted with the responsibility of construction, operation and maintenance of EHV lines all over India. Presently, we are constructing 765 KV S/C Banaskantha-Chittorgarh transmission line Associated with Green Energy Corridors (GECs). The Line is passing through various villages in your taluka. Land compensation is paying during construction for which notices were issued to farmers.

In order to release the payment of land compensation, We have prepared a statement showing the land compensation and enclosed along with copy of notices and copy of 7/12 (survey no.) saved on the farmers as per Annexure.

You are requested to kindly assess the land compensation payable to the farmer in the column provided in the Annexure-I. The duly assessed, signed and stamped copy of the above assessment statement may please be sent to.

Yours Faithfully

Vivek Chaudhary  
J.E. Himmatnagar, (TLC)

Bhuj, Kutch District

Subject:- Construction of 400 kV D/C Mundra – Bhuj Transmission line – Request for Public meeting for resolving Right of Way regd.

Respected Sir,

Powergrid Corporation of India Ltd, a Central Transmission Utility (CTU) and a "Navratna" Company functioning under Ministry of Power, Government of India is responsible for planning, Execution, Operation & Maintenance of Interstate Transmission System all over the country.

Vide order No. 3/7/2015-Trans dated 15<sup>th</sup> October, 2015 from Ministry of Power, Government of India, a new guideline was formulated for determining the compensation towards "damages" as stipulated in section 67 and 68 of the Electricity Act, 2003 read with Section 10 and 16 of Indian Telegraph Act, 1885 which are in addition to the compensation towards normal crop and tree damages. There are (i) Compensation @ 85% of land value as determined by District Magistrate or any other based on Circle rate . Guideline value / stamp Act rates for tower base area (between four legs) impacted severely due to installation of tower / pylon structure: and (ii) compensation towards diminution of land value in the width of Right of Way (RoW) Corridor due to lying of transmission line and imposing certain restriction would be decided by the states as per categorization / type of land in different places of States, subject to a maximum of 15% of land value as determined based on Circle rate / Guideline value / Stamp Act rates.

The transmission line is passing through various villages in Nakhtrana, Bhuj, Mandvi and Mundra Taluka of Kutch District. For starting the construction activities of 400 kV D/C Mundra – Bhuj transmission lines, we have approached along with the guideline stated
