Sub: - Regarding Payment of Compensation towards damages during Construction activities of 765 kV Bhuj- Banaskantha Transmission line under Green Energy Corridor - Inter State Transmission Scheme (ISTS) Part-C

Ref: 1. O.S.D (Power) Letter no. GFT-11-2015-Gol-199-K dttd. 06.04.2016
2. Ministry of Power, New Delhi Letter no. M7/2015-Trans dttd. 15.10.2015

Dear Sir,

Power Grid Corporation of India Ltd, The Central transmission Utility(CTU) and a "Navaratna" organisations functioning under Ministry of Power, Government of India is responsible for Planning, Execution, Operation & Maintenance of Interstate Transmission System all over the country.

POWERGRID has been entrusted with the implementation of Green Energy Corridor - ISTS-PART-C Vide letter ref. no.11/02/2014-PG(GEC-ISTS-PGCIL) dt.29/09/2014 issued from MOP, Govt. of India, (Prior approval of Government under Section-68 of the Electricity Act-2003) having the following scheme (copy of the approval letter is enclosed herewith) :-

(a) 765kV D/C Bhuj Pool- Banaskantha.

Schedule date for completion of project is Aug'2018.

By Ministry of Power, Government of India's order dated 24.12.2003 made under section 164 of the Electricity Act, 2003 and published in the Gazette of India, the Central Govt. has authorized Power Grid Corporation of India Ltd.(A Govt. of India Enterprise) to exercise all the powers vested in the "Telegraph Authority" under part - III of the Indian Telegraph Act, 1885 in respect of the electrical lines established or maintained or to be established or maintained for the transmission of electricity or for the purpose of telephonic or telegraphic communication necessary for proper co-ordination of the works.

Power Grid will construct the transmission lines complying the relevant provisions, guidelines for determining the compensation towards "damage" as stipulated in section 67 and 68 of the Electricity Act 2003, read with sections 10 and 16 of Indian Telegraph Act, 1885 which will be in addition to the compensation towards normal crop and tree damages. This amount will be payable only for transmission line supported by tower base of 60Kv above.
