Information Sought :	<p>I am Abhay Kumar Singh, an applicant for the PGCIL Diploma Trainee position under Advt. No. CC/08/2022 in the WR2 region. I successfully cleared the written exam held on 5th May 2023, followed by document verification and a medical examination on 24th & 25th June 2023. My PGCIL REGISTRAION NO. is 904941 and ROLL NO. is 8148120071.</p> <p>During verification, I informed authorities that I was pursuing my B.Tech and had completed my 8th semester exam on 09/06/2023, awaiting the result. As per guidelines, higher qualifications like B.Tech, with or without a diploma, were ineligible, but the cut-off was 31/12/2022. By that date, I had not finished my B.Tech, thus not in the higher technical qualification category.</p> <p>I received the appointment letter on 22/07/2023 at 11:53 AM. My B.Tech results were declared on the same day, 22/07/2023, at 5:00 PM. Joining formalities are on 26/07/2023 at 09:00 AM.</p> <p>However, I was disqualified by WR2 on 25th July 2023 due to acquiring higher technical qualification before joining (26th July 2023).</p> <p>I urgently seek a clarification on this decision. As of the eligibility cut-off, I lacked a completed B.Tech, adhering to guidelines. The disqualification based on the day after receiving the result seems incongruent. Kindly review and advise.</p>
