Dear Sir,

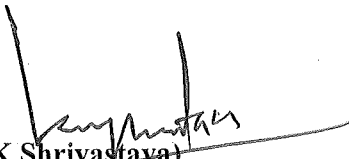

This is in reference to your letter dated 26<sup>th</sup> Aug, 2014 received in this office on 30<sup>th</sup> Sept, 2014 from our corporate center, Gurgaon regarding the information of start-up power supply to power stations in Maharashtra state.

The reply of your query as provided by concerned department is as mentioned below:

WRLDC has got jurisdiction of generation stations whose control area falls under WRLDC, having the status of CGS/ISGS (Central Generating Stations/ Inter State Generating Stations) and connected to ISTS network. The details of CGS/ISGS in Maharashtra State and in the control area jurisdiction of WRLDC is given in Annex-1.

The status wrt SGS (State Generating Stations) comes under the jurisdiction of SLDC, Maharashtra and the same is expected to be available with SLDC, Maharashtra.

Thanking You.
