Ref : Your letter no. GSB RTI APP/WRLDC 27.09.2015

Dear Sir,

This has with reference to your above letter dated 27th Sept, 2015 received in this office on 9th Oct, 2015 addressing to Appellate Authority, GM, WRLDC for supply of information against your query vide letter No. GSB RTI WRLDC dt.18.09.2015.

Your query dtd.18.09.2015 was like this "Please supply SEM data of SEM meters located on 765 KV side of Sasan units 1 to 6 for the period up to date." It is to be hereby mentioned that, all units of Sasan 1 to 6 are synchronised in WR grid from the period Aug, 2013 to March, 2015. Hence SEM data for all units for more than 2 years (up to date) is quite voluminous and generic in nature.

In previous instances, all your queries were very much specifically mentioned the period from and to date i.e for 2 to 3 month period. Hence WRLDC was able to supply the required information by uploading at its website.

Therefore, you are requested to send the query mentioning the correct period for which information would be supplied or else you are requested to inspect the above records at our office with prior notice on payment of the fees as applicable.

Thanking You.
